

October 3, 2016

Meeting called to order at 1110 hrs.

President read list of recently passed members.

Secretary's report: minutes of June meeting read and approved. A thank you letter from the Murtha family for the attendance at his funeral was also read.

Treasurer's report was read and approved. The profit of \$2,666 from the annual picnic was donated to St. Michael's church.

All comments about the picnic were excellent.

New members: Terry King, Richard Sterne, Roger Kersey II, Richard Zegawitz Jr., James C. (Chris) Rowland, James Partridge, William J. Whetzel.

Annuity Committee: Chairman Bill Mould gave a lengthy report on the annuity issues. A letter from the Treasury Department regarding the repayment of overpayments was discussed. It appears that the Treasury Department will not seek repayment of any of the affected members. One affected member received a letter with the formula of how the sick leave calculation was made in applying that figure to their retirement. It was wrong which the committee had been telling them from early on. Other issues are still being actively worked on. As a recap of affected members: 136 members were audited, 63 members notified the RFA and 12 are expected to be relieved

of having to payback any monies. Bill asked that any member who contacted their congressional representative to send a short thank you note for their assistance

L-36 President Charlie Hottinger reported that contract talks are in progress and are going smoothly with good relations with the new Fire Chief.

Also the IAFF is going to fight the rules that reduce the Social Security benefits, as currently in place, if you are receiving another government pension.

Meeting adjourned 1240 hrs
